

ALL SAINTS INFANTS CHURCH OF ENGLAND SCHOOL

ADMISSIONS ARRANGEMENTS FOR SEPTEMBER 2025 to AUGUST 2026

Approved by Governing Body on:	Nov 2023
Date of next review:	Nov 2024
Review cycle	Annual
Policy owner:	Headteacher
Location of policy	School website
Policy control record updated by Clerk to Governors	Yes
Date of last amendments	Nov 2023

All Saints Infants is a fully inclusive school which sits at the heart of its community. We encourage our children to achieve their global potential through our strapline of *Learning with Love and Laughter* and our Christian values of Love, Respect and Forgiveness. We have mutual respect and care for our children, their families, all members of our community and each other.

Our purpose is to present to our diverse local community a happy school which is a living example of Christian values and principles. We welcome people from all faiths and cultures to become part of the caring family of our school. We put each child at the heart of our work.

The school's governors have made every effort to ensure that these arrangements comply with the School's Admissions Code 2021 ([School admissions code 2021 \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/91231/school-admissions-code-2021.pdf)) and all relevant legislation, including that on infant class sizes and equal opportunities.

Admission arrangements to the Reception Year in September 2025

At our school, children are normally admitted at the beginning of the school year (1 September – 31 August) in which they reach their fifth birthday. Parents whose children were born between 1 September 2020 and 31 August 2021 may apply for them to be admitted to the Reception Year in September 2025. There are 20 places (the published admission number) available.

Parents of a child whose fifth birthday falls between 1 September 2025 and 31 March 2026 may defer entry until their child reaches compulsory school age (the term beginning in January or April after his or her fifth birthday). The school will hold the deferred place for the child (provided it is taken up no later than the term after the child's fifth birthday, when s/he reaches compulsory school age during the school year 2025/26), although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.

For children whose fifth birthday falls between 1 April 2026 and 31 August 2026 (summer born children) who do not reach compulsory school age until September 2026, parents who do not wish them to start school in school year 2025/26 but to be admitted to the Reception Year in September 2026 should proceed as follows. They should apply at the usual time for a place in September 2025 together with a written request that the child is admitted outside his or her normal age group to the Reception year in September 2026. NB parents would need to provide supporting reasons for seeking a place outside the normal age group and should discuss the position with the head teacher as early as possible. The school will consider the request carefully and if it is agreed, it should be made clear before the national offer day 16th April 2025 that their application for the normal age group may be withdrawn before any place is offered. They should then reapply in the normal way by the 15th January 2026 for a Reception place in September 2026. If their request is refused, the parents must decide whether to wait for any other offer of a place in September 2025 (NB it will still be subject to the over-subscription criteria below) or to withdraw their application and apply in the second half of the summer term 2026 for a Year 1 place in September 2026. Parents should be aware that the Year 1 group could be full with children transferring from the 2025/26 Reception Year group and therefore may have no vacancies.

Until the child reaches compulsory school age, s/he may attend part-time. If parents wish to exercise this right, they should discuss detailed arrangements with the head teacher.

Parents (see Note 1) wishing to apply for the Reception [Foundation] Year in September 2025 must complete the common application form provided by their home local authority (the home LA). The home LA is the LA in whose area the parents live at the time of the application. The form must be returned to that LA no later than 15th January 2025. Applications received after this date will normally only be considered after all those received on or before the cut-off date.

Offers of places will be posted by the home LA on 16th April 2025.

Over-subscription criteria

Children with a Statement of Special Educational Need or with an Education, Health and Care (EHC) plan naming All Saints Infants School will always be offered places. If there are fewer applications than places available, all children will be offered places. If there is greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1. Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. (See Note 2)
2. Families who have exceptional medical or social needs that make it essential that their child attends All Saints Infants School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family. (See Note 3)
3. Children with a sibling (see Note 4) on the Roll of All Saints Infants or All Saints Junior School at the time of application and who is expected to be in attendance at the time of entry.
4. Children who live nearest to the school.

Proximity of the child's home, as measured by the straight-line distance (see Note 5) between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 4 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

All Other Admissions

Admission to the school during the school year depends on whether or not there are places available. All year groups at the school have 20 places. Applications must be made directly to Reading Local Authority on a form available on their website. Reading LA will aim to respond to all applications within 10 days of receiving them but will respond in writing within 15 days of receiving the application.

If there is a vacancy, and there is no child on the relevant waiting list with a higher priority (according to the over-subscription criteria 1-4 above), a place will be offered.

Please note that whilst All Saints Infant School does not have a normal point of entry to Year 3, we do expect all children to move over to All Saints Junior School at the start of Year 3 but an application for entry to the Junior School does have to be made as per their Admissions Policy.

If parents are moving house, the school will ask for evidence of the move, when considering any application for a place. Documentary evidence in the form of a solicitor's letter to confirm exchange of contracts, or a rental agreement for at least a period of six months, will be required (Armed Forces personnel are exempt). If you are returning from elsewhere, to live in a home that you own, we will require evidence to show that you have returned. We will also ask for evidence that any previous house owned has been sold or is being sold. We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

Admission outside normal age group

Requests from parents for places outside a normal age group will be considered carefully, e.g.,s for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However, such admissions will not normally be agreed without a consensus that to do so would be in the child's interests. It is recommended that parents discuss their wishes with the head teacher in advance of applying for a place. The governors may ask relevant professionals for their opinion on the case. It should be noted that if a place in the requested age group is refused, but one in the normal age group is offered, then there is no right of appeal.

Waiting Lists

The school maintains waiting lists for those children who are not offered a place, and the parents ask for the child's name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription, and does not depend on the date on which an application is received. No account is taken of length of time on a waiting list. The school periodically seeks confirmation that parents wish a child to be kept on the waiting list.

Multiple births

In cases where there is one place available, and the next child on the list is a twin, triplet, etc., we would admit both twins (and all the children in the case of other multiple births) even if this meant exceeding the published admission number of 20 for Reception 2025/26 or the number of places (20) in other year groups.

Fair Access

The school participates in Readings LA's Fair Access Protocol. Children qualifying under the Fair Access Protocol may be offered a place even if there are no places available in the relevant year group and also take priority for admission over any child on the waiting list.

Appeals

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances.

Admissions in September 2024

This information will be added to the school website when known.

Public consultation

The Governing Body undertook a 6-week public consultation with effect from 24 November 2020 in respect of the 2022/2023 Admissions Policy.

Further information

Further information can be obtained from the Admissions Secretary at the school:

Notes

Note 1: “Parent” is defined in law (The Education Act 1996) as either:

- a) any person who has ‘parental responsibility’ (defined in the Children Act 1989) for the child or young person; or
- b) any person who has care of the child or young person.

If you are in any doubt, please contact the school for advice.

Note 2: By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A ‘child arrangements order’ is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A ‘special guardianship order’ is one appointing one or more individuals to be a child’s special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g., a copy of the adoption, child arrangements or special guardianship order).

This also applies to children who were previously in state care outside England. These are children who were previously in state care outside England (children who were looked after or accommodated by a public or state authority or a religious organisation or any other provider of care whose sole purpose is to benefit society. The care may have been provided in an orphanage or other setting) but the child may have been adopted and is no longer in state care. Evidence of the previously looked after status and/or the adoption will be requested.

Note 3: When applying under criterion 2 (exceptional medical or social needs), you must include supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring All Saints Infants School. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, health visitor, social worker, etc., who is aware of your child’s or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

Note 4: By sibling we mean a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent’s/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It is helpful if parents make it clear on the application form where the sibling has a

different family name. Where there is more than one sibling at the school, only the youngest should be listed on the application form.

Note 5: By normal home address, we mean the child's home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child's parent/s or person with legal care and control of the child.

To avoid doubt, where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. If the residence is not split equally, then the relevant address used will be that at which we are satisfied that the child spends the majority of the school week. Where there is an equal split or there is any doubt about residence, we will make the judgment about which address to use for the purpose of determining whether or not to offer a place. We will take into account for example, the following:

- any legal documentation confirming residence
- the pattern of the residence
- the period of time over which the current arrangement has been in place
- confirmation from any previous school of the contact details and home address supplied to it by the parents
- where the child is registered with his/her GP
- any other evidence the parents may supply to verify the position.

We may ask for evidence of the normal home address in the form of a recent bill. This could be, for example, the most recent Council Tax bill, utility bill no more than three months old, a current TV licence, buildings and contents insurance, mortgage statement or rent book which shows the address concerned. Parents who are unable to provide this evidence should contact the school to discuss what evidence might be acceptable. If it becomes clear or if there is any doubt that the parents and child are not living at the address given on the application form, the school may seek further evidence. The school works closely with the LA to ensure that places are not obtained at the school on the basis of false addresses, and, in cases of doubt, will take steps to verify the information provided. If a place at the school is offered, and it later becomes clear that the offer was made on fraudulent or misleading information, and the school has denied a place to a child with a stronger claim, the school will withdraw the offer of a place. The offer can also be withdrawn even after the child has started at the school.

We regard a child's home address to be where he or she sleeps for the majority of the school week (Monday to Friday). We may ask to see official documentation, such as a child benefit book or medical card if there are reasons why a child does not live at his or her parent's

address. For example, if he or she is resident with a grandparent, this needs to be made clear on the application form. If such arrangements are not declared or a relative's address is used on the application, we may consider that a false declaration has been made, and withdraw the offer of a place. Childcare arrangements are **not** sufficient reason for listing another address. If parents move house after the application has been made, but before any offer of a place has been made, the home LA must be informed.

If parents are moving, we will ask for evidence of the move, when considering any application for a place under the co-ordinated scheme.

We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

The distance is measured as a straight line between the Ordnance Survey data point for the child's home address and the school using Reading LA's digital mapping software. This distance is measured to three decimal places.
