

Dear Families,

Our school needs your help.

Kyran

We need wise, dedicated,

friendly people to join our team

of school governors to support

us and Mrs Daniel in making

our school an even better place to be.

Chloe

As a parent governor, you will help

keep us safe and make a

difference to the quality of

our education. You will have

the chance to spend time in

school getting to know us and

finding out how well we learn.

We can't wait to meet you!

From The School Parliament
