

Dear PTA,

We are writing to you because we want to plant vegetables in our vegetable patch but we don't have enough compost. We would also love tomato plants to make our vegetable patch brighter.

Please could you be kind enough to buy these for us? We would really appreciate it.

We would like to have these so our children can have these vegetables as a healthy snack. Also it can be a beautiful thing to look at in the playground.

Thank you for using your time on this letter. We can't wait for a reply!

Love from,

School Parliament 😊
